

## Subset of Intro Stats Survey Data

A subset of 30 responses to a 2022 Intro Stats survey are printed on the following pages. A key describing each variable is printed below.

### Variable Key

Header	Explanation
Timestamp	Time when survey was submitted (Month / Day / Year Hour: Minute)
height_cm	Height in centimeters
applications	Number of colleges applied to
distance_home_miles	How far (in miles) the student's hometown is from the college.
academic_year	Year in college
major_division	Division of the college that major belongs to
study_place	Typical location students studies in
social	Personal political views on social issues (1 is very conservative, 5 is very liberal)
economic	Personal political views on economic issues (1 is very conservative, 5 is very liberal)
roommates	Number of roommates
six_month_books	Number of books read in the past 6 months
transportation	Primary mode of transportation
dog_pants	How a dog would wear pants
hotdog	Are hotdogs sandwiches?
coffee_tea	What is your preferred caffeinated beverage?
bedtime	What is your typical bedtime?
diet	Do you have any dietary restrictions?
play_wordle	Do you play Wordle?
